For immediate release June 12, 2017

JACKSON, MS: Hinds County District Attorney Robert Shuler Smith announced on Wednesday, June 7, 2017, that Jackson resident Corey Moore was convicted of House Burglary by a Hinds County jury.

On August 23, 2014, an off-duty JPD officer was alerted to a possible burglary in progress at 1745 Brecon Drive, in Jackson. Although off-duty, the officer searched the home and found suspect Corey Moore hiding in a closet. Items belonging to the victim were located in a car driven by Moore.

DA Smith said, "This office is committed to securing convictions and bringing justice to victims." Smith continued, "Home invasions are particularly dangerous, and I am proud of the jurors of Hinds County for convicting this criminal."
